### Foundation Mourns Loss of Past Chair Francis A. Williams

Fran Williams, past president of the PHCC—National Association, and chairperson of the PHCC Educational Foundation, passed away Sept. 9<sup>th</sup> in Belmont, Mass., from leukemia.

Fran received numerous career awards, including the prestigious Col. George D. Scott Award for meritorious service, and Mass. PHCC's Bradford-Rose award. He was also named Mass. Contractor of the Year in 1994 and Delta Faucet Plumbing Contractor of the Year in 1995.

Beyond the awards, Fran was a truly special individual who devoted his life to helping others. He was a respected leader in his community and our industry, with a talent for identifying future needs and leading the way to solutions. His generosity, vision and advice will be sorely missed by all of us at PHCC.
